DAVID GREGERSEN • President

Enterprise Newspaper Group

President's Message

Dear *Enterprise* Readers,

We are excited to present you with the 2019 edition of the *Book of Lists* from *The Enterprise—Utah's Business Journal*.

Business in 2018 was incredible! Wow, what a great year for the local economy. If your company had its best year ever, you're not alone. Utah was ranked in the top two for both "Best States for Business" and "Labor Supply" by *Forbes* magazine. Good employees and a great business environment equal success. We remain one of the healthiest business communities in the United States. Unemployment is still near all-time lows. Wages and salaries are up. Industries across the board have seen solid growth. The state of Utah continues to prove it is one of the greatest states in which to do business.

As always, I am impressed at the significance of this publication as a reference tool for the Utah business community. It gets used all year on a regular basis and is kept for years. The *Book of Lists* is our holiday present to our subscribers. Because we know how much the book gets used, we are pleased to provide it as a special bonus.

We survey companies throughout the year and gather information from various sources to give you the most sought-after and up-to-date lists available. Once again, a big shout-out goes to our entire staff for the extraordinary effort and long hours they put in to make this publication possible. I am also grateful for their efforts on our weekly issues all year long.

Note: If your company has not participated in past surveys and would like to, or if you have suggestions for new lists, please contact our research department at lists@slenterprise.com.

Finally, we also wish to thank our *Book of Lists* sponsors this year: **Mountain America Credit Union, University of Utah Health Plans and the Salt Lake Stallions**, as well as all our advertisers in this year's book. They make this special publication possible. We know and work with each of our *Book of Lists* advertisers, and recommend them 100 percent!

Please enjoy this year's edition of the *Book of Lists*. And thank you to our loyal subscribers for making *The Enterprise* a part of your professional lives and your choice for local business news and information.

I wish you good health and a prosperous 2019.

FOUR GOOD MEN. ONE GREAT COMPANY.

At Transcript Bulletin Publishing, we're proud of our deep heritage that began in 1894. With 124 years under our belt, that makes us the oldest continuous business in Tooele County, and one of the oldest in Utah. Transcript Bulletin Publishing has been owned and managed by the same family since 1899. It all began with Publisher James Dunn, a Scottish immigrant. His passion for the written word continued with his son, Alex, and then grandson, Joel. Those three men sparked the company and its newspaper, the *Tooele Transcript Bulletin*, to ultimately grow into a major printing, publishing and design enterprise worth over 60 employees today. Now at the publisher helm, great-grandson Scott leads it all into a second century of existence with even greater passion and purpose. Four good men. One great company. Transcript Bulletin Publishing.

**SHAKE HANDS.
BUILD TRUST.
REPEAT.**

R&O CONSTRUCTION

From the first handshake, we commit to doing what is right for our clients and building more than just offices, factories, stores and places to live. We build trust. It's the reason that over 80% of our work comes from repeat clients. It's also the reason that our first client, 37 years ago, is still a client today. We're looking at our partners as a lifetime clients, not one time opportunities. We don't consider your building a job-well-done until we shake hands and say "we'll see you on your next project."

CRUISE & TRAVEL MASTERS
Celebrating 30 Years

**We will custom tailor your trip
to perfectly match your
individual needs and desires.**

"Why do I still like agents? A competent travel adviser can be your greatest asset when you're planning a trip. Good travel agents have an edge over almost any other seller of travel. They know what you want. They speak your language. And they're there for you when you run into trouble." Christopher Elliott, ombudsman, National Geographic Traveler magazine.
