*Hundreds of projects in our first 100 years.*

**And we're just getting started!**

JACOBSEN 1922

David Gregersen

PRESIDENT — Enterprise Newspaper Group

Here at *The Enterprise—Utah's Business Journal*, we feel like the paper is a spotlight on the organizations that have innovated, excelled and grown to lead their industries this past year, putting a spotlight on some great Utah businesses. But we also want to point out the light those companies have provided for the rest of us in a challenging year (and a couple of years) where creativity, flexibility and no small amount of courage were demonstrated to help pave the way for the business community at-large.

The companies that have been included in this year's lists serve as an inspiring example of how to lead and re-energize, even in the most obstacle-ridden of times. The year 2022 was a call to the top companies and organizations in each business sector to go above and beyond the already challenging road to success and provide some of the key ingredients our region and state needed to stay strong.

Admirable levels of leadership and examples of success were in abundance here in Utah, across a diverse array of industries — sectors ranging from construction, healthcare, real estate, banking and finance to infrastructure, transportation and technology.

Of course, this year's edition is also filled with information about all the businesses and organizations that excelled and emerged at the top of their respective fields in 2022. Truly, there's no better resource to turn to than the pages of *The Enterprise—Utah's Business Journal*, and our annual *Book of Lists*.

Assembling this collection of lists is a yearlong effort that involves working with hundreds of businesses, agencies and local associations, along with exhaustive due diligence and data analysis by our editorial department and list development staff. I thank them and our outstanding reporters for their superb work this year. I'd also like to thank the efforts of our advertising team, for collaborating with our partners to help them market their brands to our community of business.

Special thanks are also due to our *Book of Lists* sponsors: **Mountain America Credit Union, Maschoff Brennan** and **Big D Construction**. And to all our advertisers in this year's book, we thank you, we appreciate you and we value your longstanding efforts to serve businesses.

I hope you find this year's *Book of Lists* to be engaging in terms of comprehensive content worth returning to again and again as a reference throughout the coming year.

Once again, we are excited to present you with the 2023 edition of *The Enterprise—Utah's Business Journal Book of Lists*. As always, I am impressed at the significance of this publication as a reference tool for the Utah business community, as it gets used by our readers consistently throughout the year.

If your company would like to participate in our lists, or if you have suggestions for new lists, please contact our research department at [lists@slenterprise.com](mailto:lists@slenterprise.com)

Please enjoy this year's edition of *The Enterprise—Utah's Business Journal Book of Lists*. And thank you to our loyal subscribers for making *The Enterprise* a part of your professional lives and your choice for local business news and information.

I wish you good health and a prosperous 2023.

## FOUR GOOD MEN. ONE GREAT COMPANY.

At Transcript Bulletin Publishing, we're proud of our deep heritage that began in 1894. With 128 years under our belt, that makes us the oldest continuous business in Tooele County, and one of the oldest in Utah. Transcript Bulletin Publishing has been owned and managed by the same family since 1989. It all began with Publisher James Dunn, a Scottish immigrant. His passion for the written word continued with his son, Alex, and then grandson, Joel. Those three men sparked the company and its newspaper, the *Tooele Transcript Bulletin*, to ultimately grow into a major printing, publishing and design enterprise with over 60 employees today. Now at the publisher helm, great-grandson Scott leads it all into a second century of existence with even greater passion and purpose. Four good men. One great company. Transcript Bulletin Publishing.

## THE VOICE OF UTAH'S MINING INDUSTRY SINCE 1915

For over 100 years, the Utah Mining Association has proudly represented an industry that is essential to everyone's lifestyle and standard of living. As the beginning of the supply chain for everything we use and everything we do as a society, the mining industry has a great story to tell, and our association strives to tell that story.

Now, more than ever, we advocate for Utah's mine operations and service partners. We are proud of Utah's record of safe, environmentally friendly mining practices, and we recognize the tremendous economic impact the industry has in Utah and beyond.
