ASSOCIATE PUBLISHER — Salt Lake Business Journal

Dear Salt Lake Business Journal readers,

As the landscape of the American economy continually evolves, Utah has emerged over the years

as a beacon of stability and growth, offering its residents a plethora of opportunities across various sectors while preserving its natural beauty and fostering a tight-knit business community spirit.

Utah's economy boasts resilience and sustained growth, even amid turbulent times. Fueled by diverse industries, ranging from technology to tourism, the state has consistently outperformed national averages in key economic indicators. One of the driving forces behind Utah's economic prowess is its robust job market, characterized by low unemployment rates and steady job creation across sectors. The state's pro-business environment, coupled with prudent fiscal policies, has attracted myriad corporations, startups and entrepreneurs, fostering a dynamic ecosystem of innovation and growth.

Utah's diverse economy encompasses thriving industries such as aerospace, outdoor recreation, construction, mining, manufacturing, tech and finance, to name a few. This economic diversity insulates the state from fluctuations in any single sector, ensuring stability and sustained growth, even during economic downturns.

Beyond its economic prowess, Utah offers an unparalleled quality of life, making it an enticing destination that stands out as an ideal place to live and work.

In essence, Utah's economic vitality, coupled with its quality of life, renders it a compelling destination for those seeking prosperity, adventure and community. Utah stands as a testament to the harmonious blend of economic stability and an unmatched quality of life. I am proud to be from Utah, to do business in Utah and call myself a Utahn.

## THE VOICE OF UTAH'S MINING INDUSTRY SINCE 1915

For over 100 years, the Utah Mining Association has proudly represented an industry that is essential to everyone's lifestyle and standard of living. As the beginning of the supply chain for everything we use and everything we do as a society, the mining industry has a great story to tell, and our association strives to tell that story.

Now, more than ever, we advocate for Utah's mine operations and service partners. We are proud of Utah's record of safe, environmentally friendly mining practices, and we recognize the tremendous economic impact the industry has in Utah and beyond.

## TRU Umbrella & TRU Homeowners Insurance Solutions

### PROBLEM:

**Primary Homeowner and Business policies have exclusions.**

New exclusions continue to be added, such as:

- Firearms
- Animals
- Trampolines, Pools, Diving Boards
- Recreational Vehicles
- Business Operations
- Business Auto
- Business Property & Casualty
- And more

Umbrella policies require that primary coverage is in place. Know the difference that most policies have GAPS and GRAY areas that the XINSURANCE TRU Umbrella solution may cover.

### SOLUTION:

XINSURANCE TRU Umbrella identifies those GAPS and GRAY areas in Home, Work and Play activities and fills the gaps and exclusions with customized TRU Umbrella coverage for individuals and businesses.

XINSURANCE is agent friendly. Ask your agent to contact us.

XINSURANCE is powered by Evolution Insurance Brokers, LC ("EIB"), an excess and surplus lines insurance brokerage. XINSURANCE is a DBA of EIB, which is domiciled in and has its principal place of business in Sandy, Utah. This insurance product is offered by an unlicensed surplus lines insurer. The NPN for EIB is 5464658 and CA license number is 0H93938.
